LAB ADVISORY FOR "IN OFFICE" SPECIMENS

Dear Patient:

Due to the many changes in insurance, we must ask that you select which lab you wish your specimens/tests to be sent to. Please mark which of the labs you would like to use and sign below.

Thank You!

Note: Please check with your insurance company! If you do not select the correct lab, your insurance may not cover your specimens/tests.

I would like any specimens/tests performed to be sent to the following lab:

_____ Palm Beach Pathology: Participates with all insurance companies (example: Cigna, UHC, Medicare, Aetna, Tricare, etc.) **DOES NOT ACCEPT: NO BLUE CROSS BLUE SHIELD.**

_____ Quest Laboratory: Accepts ALL Blue Cross Blue Shield Plans

_____ Wuesthoff Laboratory: **DOES NOT ACCEPT: Health First, GHI, Mailhandlers, Lab One/Lab Card, Pyramid Medicare HMO, Freedom Health nor Universal Health Care Medicare.**

_____ Health First Laboratory: **DOES NOT ACCEPT: Any Medicare Replacement other than Health First Medicare Products.**

I understand that if my insurance does not cover specimens/tests sent to the lab I have chosen, I will be responsible for any and all charges incurred. Gynecologic Specialists of Brevard, LLC will not be responsible for any incurred charges.
